Affordable, Shareable, Turbo Gigabit Speed

- Easy-to-use expandable network storage for sharing and safeguarding your valuable data
- Add any capacity SATA drives (up to 2, sold separately)
- High-performance gigabit Ethernet enables faster file storage and access
- Disk-mirroring protects your data by automatically creating a backup

Features

- Fast, shareable, and expandable network storage
- Accepts one or two 3.5-inch SATA drives of any capacity (sold separately)
- High-speed gigabit Ethernet network connection enables faster file transfers
- Expandable—upgrade SATA drives or add another Storage Central Turbo device
- Disk-mirroring protects your data by automatically creating a backup
- Smart Wizard installation CD simplifies set-up and drive configuration
- Storage Central Turbo appears like a new letter drive was added to your PC
- Accessible from any PC on the network
- New data disk volumes can be configured as public or private and password protected
- Includes advanced synchronization software for automatic backup

Side-by-Side Comparison of Storage Products

Turbocharged Gigabit Speed Minutes to Transfer

One PC Video Game
1000 Digital Photos
1000 mp3 songs
One DVD Movie
One HD Movie
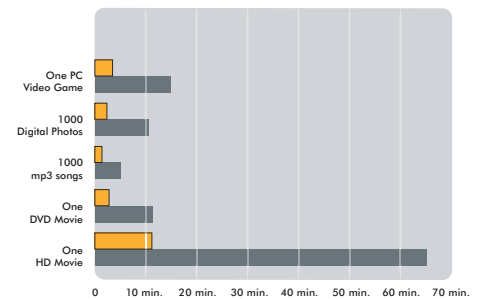

● **NETGEAR** Storage Central Turbo (SC101T)   ● Typical 100 Mbps NAS device

Fast, shareable network storage

NETGEAR's Storage Central Turbo is a flexible, upgradeable way to store your music, photos and videos—and access them at gigabit speeds. Simply insert one or two 3.5-inch SATA drives of any capacity from any vendor (sold separately) into Storage Central Turbo, connect it to any router or switch, and Smart Wizard takes care of the configuration. It functions just like a local disk drive, accessible from any network computer, but without requiring a dedicated PC. Advanced backup and synchronization software protects against data loss automatically with mirroring. And as your storage needs grow, Storage Central Turbo keeps pace by letting you upgrade with larger capacity SATA drives—and even additional Storage Central Turbo devices.

Storage Central Turbo: your network's virtual warehouse

Connects to Laptop

Connects to Desktop PC

Desktop PC with RangeMax NEXT Wireless-N PCI Adapter (WN311) or RangeMax NEXT USB 2.0 Adapter (WN121T)

Connects to RangeMax NEXT Wireless-N Gigabit Edition

Laptop with RangeMax NEXT Wireless-N PC Adapter (WN511) or RangeMax NEXT USB 2.0 Adapter (WN121T)

Connects to power
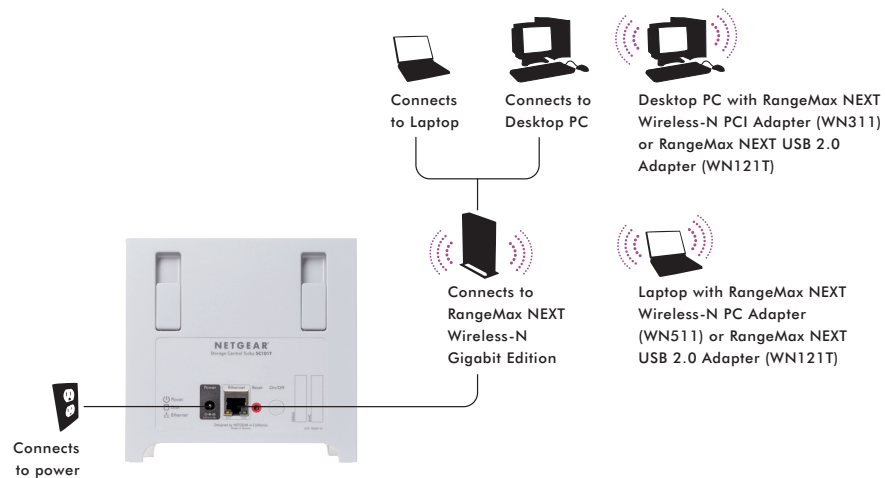

System Requirements
– Microsoft® Windows® 2000 (SP4), XP Home or Pro (SP1 or SP2)
– DHCP server in the network
– Compatible with Serial ATA (SATA) hard disks

Physical Specifications
– Dimensions: 6.90 x 5.91 x 5.74 in
– (175.25 x 150 x 146 mm) (L x W x H)

Ambient Operating Temperature
– 0-95° F (0-35° C)

Certifications
– FCC, CE, IC, C-Tick

Interface
– 10/100/1000 Mbps (auto-sensing) Ethernet, RJ-45

Standards
– IEEE 802.3, IEEE 802.3u, IEEE 802.3ab

Supported Protocol
– TCP/IP, DHCP, SAN

Controls
– One Power ON/OFF switch
– One Reset Button

Connection Speed
– 10/100/1000 Mbps

Supported Hard Drives
– Two 3.5" Serial ATA (SATA) hard drives

Diagnostic LEDs
– Power: Green
– Hard Disk: Blue
– Network: Green

Warranty
– NETGEAR 1-year warranty

Package Contents
– Storage Central Turbo (SC101T)
– 12V, 7.0A Power Adapter, localized to country of sale
– Ethernet Cable
– Installation Guide
– Setup CD
– SmartSync™ Pro Backup Software CD
– Warranty/Support Information Card

NETGEAR Related Products
– Wireless
  – RangeMax NEXT Wireless-N Routers and Adapters (WNR854T, WN511T, WN311, WN121T)
– Wired
  – 5-Port Gigabit Desktop Switch (GS605)
  – 8-Port Gigabit Desktop Switch (GS608)
  – Powerline HD Ethernet Adapter Kit (HDXB101)
