

The even better BlueParrott.

Everything about the VXi BlueParrott® B450-XT says MORE. It's got the most effective (96%) noise-canceling microphone. A considerably longer (up to 300-foot) wireless range*. A bigger, cushier ear cushion, and a more-comfortable, more-durable padded headband. The B450-XT also has more advanced Parrott Button™ features, like VoiceControl™, for hands-free control of headset functions, and voice memo record. All together, they make the VXi BlueParrott B450-XT more useful, more convenient—and more indispensable to the mobile professional.

Benefits

- Be heard clearly with the industry's best noise-canceling microphone technology.
- Hear and understand every word with HD Voice™.
- Handle incoming calls totally hands-free with VoiceControl™.
- Roam up to 300 feet* from paired devices.
- Set the Parrott Button™ to your choice of mute, speed dial and more.
- Tap to easily pair your phone or other Bluetooth® device via NFC.**
- Stream music or GPS instructions.
- Enjoy extended comfort and convenience.
- Talk for over 24 hours per battery charge.

**When paired with other Class 1 devices. With standard Bluetooth devices, the B450-XT can provide up to 66 feet of range.*

***One-touch pairing requires an NFC-capable cell phone or device.*

The VXi BlueParrott B450-XT gives you more—clarity, comfort and convenience.
