The Pursuit of Perfect Sound

MB PRO 2 UC ML

Sennheiser MB Pro 2 UC ML is a premium Bluetooth™ stereo headset optimized for Microsoft Lync. The headset is designed for business professionals who demand wireless communication freedom, brilliant sound quality, and exceptional wearing comfort.

Sound leadership

With an ultra noise-canceling microphone equipped with a single channel noise reduction system, the MB Pro 2 UC ML reduces background noise such as car road noise and air conditioning fans. Combined with Sennheiser voice clarity, this provides the listener with a clearer and more natural sound on calls.

The MB Pro 2 incorporates a “Room Experience” feature, which exteriorizes the sound from the user’s head. Turned on with press of a button on the headset, Sennheiser “Room Experience” creates a more natural and comfortable listening experience for the all-day user.

User focus

The MB Pro 2 UC ML includes an automatic music setting for relaxing between calls, and a communication setting to ensure the most natural listening experience in calls for both the speaker and the listener.

With up to 15 hours of talk time, the MB Pro 2 UC ML enables all-day users to experience brilliant, clear sound while enjoying the benefits of over-the-head wearing comfort in busy Unified Communications environments using Microsoft Lync.

Additionally, patented Sennheiser ActiveGard® hearing protection technology protects users from the potential danger of acoustic shock of unexpected and extremely loud sounds on the line.

Quality design

The MB Pro 2 UC ML headset offers business professionals brilliant sound in a high-quality, award-winning design that enhances robustness. The iconic design is crafted for maximum comfort and the large leatherette ear pads give a perfect fit, powerful sound and extra wearing comfort.

The headset charger stand provided with the headset enables simple magnetic charging in a discreet space-saving design. By placing the headset on or off the charger stand, the user is able to answer and end a call directly without further call management.

Features and Benefits:

- Optimized for Microsoft Lync
- Sennheiser voice clarity – for a natural speech and listening experience
- Stereo streaming sound-enhancement profile – for multimedia and music listening purpose
- Room experience feature – for a more realistic sound and to increase call comfort
- Ultra noise canceling-microphone – for perfect speech transmission
- Noise Dependent Volume Control (NDVC) – provides ideal speaker volume in changing environments
- Large leatherette ear pads – for exceptional wearing comfort and powerful sound
- Up to 15 hours talk time – communicate in high definition audio for a full-work day
- Multi connectivity – to seamlessly manage PC and mobile phone calls from a single headset for maximum call-handling flexibility
- Voice prompts for status – the user is always updated
- iPhone battery meter – keeps the users aware of available talk-time
- Sennheiser BTD 800 Bluetooth™ mini USB adapter – can stay in your laptop port
- Sennheiser CH 20 MB charger stand – offers convenient call control management and space-saving

Product Information

Product name	MB Pro 2 UC ML			
Art. No.	506046			
EAN No.	40 44155 09039 0			
UPC No.	6 15104 25071 0			
Product description	Double-sided Bluetooth® headset with dongle for Lync			
General Data				
Wearing style	Fully adjustable headband, over-the-head wearing style			
Technology	Bluetooth® Version 4.0 / supported profiles: HSP 1.2 + HFP 1.6 + A2DP 1.2			
Talk time	Up to 15 h			
Charging time	2 h 30 min			
50% charging time	40 min			
Range	Up to 25 m (device dependent)			
Weight of headset	82 g / 2,89 oz			
Microphone				
Microphone type	Ultra noise-canceling			
Frequency response	150 Hz – 6,800 Hz			
Speaker				
Speaker type	Dynamic, neodymium magnet			
Frequency response	150 – 15,000 Hz			
Sound pressure	Max. 118dB (SPL) limited by ActiveGard®			
Packaging				
Dimension of product packaging (L x W x H)	203 x 169 x 83 mm / 7.99 x 6.65 x 3.27 in			
Package weight (incl. complete product and packaging)	511 g / 18.03 oz			
Units in distributor master carton	10			
Master carton weight incl. products	6.83 kg / 15.06 lbs			
Dimension of master carton (L x W x H)	525 x 510 x 200 mm / 20.67 x 20.08 x 7.87 in			
Unit pack/end user	1			
Content of delivery				
Box content	<ul style="list-style-type: none"> - Headset - Dongle - USB charging stand - Safety guide - InCompliance leaflet - Quick guide
