

DOWNLOAD AND GET STARTED

1. Install

Download Konftel Unite from Google Play or App store. Install.

2. Pair

Open Konftel Unite. The nearest Konftel 300IPx will be presented. Click and follow the instructions in the app to complete the device pairing.

3. Ready

Start or join meetings, call personal contacts and control the features of the conference phone. All with your mobile phone!

Next time, just open the app.

ENJOY ONE TOUCH CONFERENCING

Konftel Unite and Konftel 300IPx are a perfect match. Use the mobile app to manage the conference phone. One click is all it takes to start or join a scheduled meeting. Call contacts and groups from your personal contact book and control the phone's features during the meeting.

In essence, it is The Art of Easiness!
