

High-performance,
entry-level price

User friendly in-ear
audio alerts and smartly
placed status lights

Blackwire® 300 Series

Economically designed for
enterprise wide deployment

High quality headsets ideal for large unified communication deployments

IDEAL FOR:

- IT-managed mass deployment opportunities where cost is a major factor
- Those new to PC telephony or managing other multi-media applications

Blackwire® 310/320

www.plantronics.com/product/blackwire-300/

Enter UC with the best-featured headset you never thought your budget could afford. Blackwire® 300 Series USB headsets are a simple-to-use, comfortable, and durable choice for conference calls, Web-based training, and PC multimedia applications. Plus, they're priced right, easy to deploy, and offer a simple-to-upgrade UC solution that IT can roll out easily and rely on.

KEY FEATURES

Simplicity meets durable design

- Two wearing styles available: binaural/hi-fi stereo or monaural design
- Lightweight metal headband offers durability and a customisable, comfortable fit
- Intuitive inline controls to answer/end calls, control volume, and mute
- Smartly placed indicator lights and helpful audio alerts give user call, mute, and volume status

Outstanding audio quality

- Wideband audio with noise-canceling for high-quality PC telephony
- Dynamic EQ feature automatically adjusts audio for voice or multimedia use
- Noise-cancelling microphone filters out background sound
- Enhanced Digital Signal Processing (DSP) provides more natural voice sound
- SoundGuard® technology provides protection against audio spikes

Recommended accessories

- Travel case provides a secure and convenient transportation option
- Leatherette ear cushions offer alternate comfort option
