

SC 230

The efficient working tool

SC 230 is a single-sided headset designed for professionals that require true narrowband and wideband audio in call center and office workplaces. With the focus on call-center-tested durability and robustness, SC 230 offers features including: Circleflex™ patent-pending dual-hinge ear cup for instant perfect fit and supreme comfort, noise-canceling microphone and a lightweight raised profile headband with numbered grooves.

The combination of productivity-enhancing features and call-center-tested durability is designed to help professionals perform at their best, whatever the environment.

Benefits and Features

- **Best-in-class Comfort** – Circleflex™ patent-pending dual-hinge ear cup system that adapts seamlessly to your ears, for instant perfect fit and relaxed all-day wearing
- **Noise-canceling microphone** – filters out ambient noise for optimum speech clarity
- **Unique Robust Construction** – crafted with look and feel in mind
- **Single-sided wearing style** – numbered headband grooves for step-by-step adjustment for instant perfect fit
- **Durability** – metal reinforced headband designed for years of wearing pleasure
- **Sennheiser HD Voice Clarity** – wideband sound for a more natural experience
- **Bendable Boom Arm** – ensures microphone position is always optimal. Cannot be twisted out of position
- **Pivotable Boom** – rotates through 350 degrees for wearing flexibility on right or left ear and precision microphone placement
- **Name Tag Personalization** – easy user ID helps to avoid wearing a neighbor's headset
- **ActiveGard™** – technology protects you from acoustic shock and sudden sound surges
- **Peace of Mind** – 2-year international warranty
